Senior Softball Players –

We're ready to start the registration process for our 27<sup>th</sup> year of Olde Tymers Softball (OTS) and hope you plan to be part of our 2024 season. We welcome recreational players, both men and women, who will be 60 years of age or over before December 31, 2024. Skills in fielding, hitting, throwing and running are evaluated to ensure players are capable of protecting themselves while playing and have the minimum skills to participate.

Games take place at the Dagsboro Church of God fields located off Route 26 in Dagsboro, and are played during the summer on Tuesday, Wednesday and Thursday mornings. Each team will only have 2 games per week, but some weeks the team will play on Tuesday and Thursday, some weeks on Tuesday and Wednesday and some weeks on Wednesday and Thursday. The number of games each team will play will be determined based on the number of players that register. Each team typically plays between 25 and 30 games. **Please note that games are played all summer and that games are very rarely postponed due to high heat and humidity.**

Please read this entire registration letter. It contains important information about deadlines, team formation, participation commitments, waiting list, refunds and other items. Then fill out the attached registration form and send it along with your registration fee. The entire form needs to be filled out, even if nothing has changed. Payment and mailing instructions are on the registration form. Be sure to note the dates you will be unavailable to play in the area provided on the registration form. If you won't be in the area before the first games on April 30, please note the date you will be back in the area and available to play. Players that won't be available to start playing until after April 30, 2024 will not be in the draft and will be placed on the waiting list once they are available.

Check the appropriate boxes to indicate your interest in playing in tournaments, being trained and serving as an umpire, being a manager/assistant manager, being part of the field maintenance crew, being trained in CPR/AED, or optionally declaring a medical condition. If you are currently a tournament player or have been a tournament player in the last 5 years, check the "I play on an OTS or other tournament team" box.

**COMMITMENT TO PARTICIPATE:** *To help maintain team rosters throughout the season, you must commit to playing in over 2/3 of the regular season games from May through the end of the Summer Season. For a 30-game season, that works out to committing to play 20 of the 30 games. Players that can't commit to playing 2/3 of the games are invited to register as a substitute player.*

**TEAM FORMATION:** A player draft is held each year. The number of teams, team sizes and number of players are limited, and last year there was a waiting list. There is a high probability that not everyone who registers will get on a team. All returning OTS players will be given top priority for the draft as long as their registration form with payment is received by January 31, 2024. All new players will be placed on the player list after all the returning players who register before the deadline in the order their registration form and payment are received. Any returning players registering after the deadline will be placed on the player list in the order their registration form and payment are received.

Those players below the cutoff for the draft will be placed on the waiting list. Once the season begins, players on the waiting list are available for use as substitutes for players who might miss a game or two, and as replacements for players who expect to be out for an extended period of time. **Note to returning players: Getting your registration in by January 31, 2024 does not guarantee you a spot in the draft. The last several years we have started the spring with more returning players than available slots in the draft. The earlier you get your registration form in, the better the chance that you will be in the draft.**

**NEW PLAYERS:** New players are expected to attend the pre-season practices that start on April 2. The pre-season practices are held on Tuesday and Thursday mornings, and continue thru April 16. Once registered, new players will receive an email with more details about the pre-season practices and the draft process.

The registration fee for the 2024 season remains at \$100.00 per player. For returning OTS players, there is a \$25.00 early sign-up discount if your registration form and payment is received before January 31. New players, which includes everyone that hasn't registered for a previous summer season, are required to pay the full \$100.00 fee. The fee schedule is:

All players new to an OTS summer season - \$100.  
Returning players, payment received by 1/31/24 - \$75.  
All players whose payment is received after 1/31/24 - \$100.

The registration fee is refundable if you notify the Secretary of your withdrawal prior to April 1, 2024. In the case that the league is unable to place you on a team during the draft and you do not wish to be placed on the waiting list, a refund can be requested prior to May 1, 2024. **No other refunds will be made, even if the season is shortened or canceled due to whatever reasons.**

This letter and the 2024 Registration Form and our By-Laws, which include our Code of Conduct, are available in the Documents Section of our website:
